Computer Science Club meets every Wednesday!
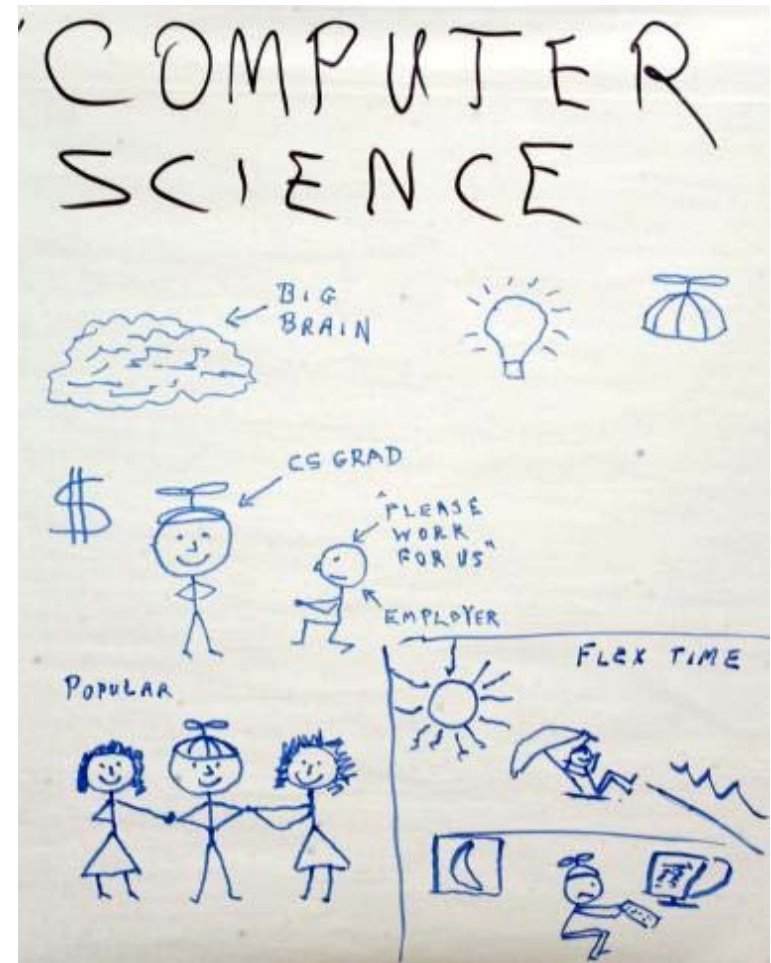

What time: Every Wednesday, 7:00 pm to 9:00 pm

Where: Reeve Union, room 213, second floor

What: Get together with other Computer Science Majors and computer enthusiasts. Attend conferences, compete in competitions (and host one), listen to speakers (some with experience from the "real world" of computing) or even give one. This year, we will also have Special Interest Groups that work autonomously.
